Welcome to the MFSA!

The executive team for the Mathematical Finance Students' Association is very excited for this new term and is looking forward to hosting some awesome events for our wonderful members!

Let's Connect!

We would like to hear from you this term, so we are offering our members the opportunity to choose what events we host. We want to know what you liked from past events and what you'd like us to introduce. Send us your feedback now through this short anonymous [survey](#).

Want to keep in touch with the executive team and fellow members? Join the [MFSA Facebook group](#)!

First General Meeting

Save the date for our first general meeting this term! We'll be reviewing the events we'll be hosting, explaining some of the services we provide, and opening the floor for any questions or comments.

This will also be a great opportunity for you to network with fellow Mathematical Finance students or enthusiasts. More importantly, there will be **FREE FOOD!**

Date: Tuesday, October 6

Time: 6:30 PM

Place: Comfy Lounge in MC, 3rd floor

If you have not already paid your membership fee, please bring along your \$2. See you all there!

Regards,

Your MFSA executives
