Dear members,

On Wednesday, July 29, the CGI Cruisers will be hosting a bingo session to help raise money for the OneWalk to Conquer Cancer. Half of the proceeds will be donated to the Princess Margaret Cancer Centre to support cancer research, while the other half will be spent on cash prizes. Prize amounts will vary and will be dependent on how many bingo cards are purchased.

Bingo will take place from 12-1 p.m. with a total of three games within the hour. There will also be multiple locations within CVD, which will be disclosed after a bingo card is purchased. **Please register by Monday, July 27 by contacting [Brian Ma](#).**

Come on out to play a classic game of bingo for a good cause and don't forget to bring your bingo dabber (or a highlighter)!

**Cost breakdown**

One bingo card: \$ 5  
Three bingo cards: \$10
